

B7174-MPG Baldwin Spin-on Lube Filters

Bearing No. B7174-MPG

Product Type	Maximum Performance Glass Lube Spin-on
Includes	I. Gasket: [1] Included
Outside Diameter	4 1/4 (108.0)
Micron Rating	8 Absolute
Length	9 1/8 (231.8)
Thread Size	M30 x 2.0
Compatible Competitor Part Number	Iveco 99445200
Application	Case Dump Trucks; Case- IH Harvesters, Tractors; Iveco Engines, Trucks; New Holland Combines, Forage Harvesters, Tractors; Winpower Generators
Industry	Automotive Heavy-duty on- highway transportation Commercial trucks and buses Agriculture Construction Industrial Marine Mining Oil & Gas Power Generation
Product Style	Lube Filter
Technology	Filtration

B7174-MPG Bearing 2D drawings and 3D CAD models
